MALLARD CREEK STEM ACADEMY

ABOUT US

Located in a thriving area in Charlotte, we are proud to be part of Mecklenburg County's fastest-growing region. At our school, we cater to students from kindergarten to eighth grade, offering a comprehensive education focused on science, technology, engineering, and math (STEM).

Our commitment to excellence extends beyond the classroom, as we nurture a supportive and inclusive community where every student has the opportunity to thrive.

MISSION STATEMENT

Mallard Creek STEM Academy promotes high academic achievement by increasing student engagement through a workshop model that encourages and empowers students to take ownership of their own learning.

DEPT. SCOPE

Mallard Creek STEM Academy's Athletic Department presents a unique opportunity to support the holistic development of our school community's youth. Catering to students from kindergarten to 8th grade, our department is committed to fostering not only physical fitness but also instilling values of teamwork, discipline, and perseverance.

Our middle school sports program offers nine distinct opportunities for students to engage in competitive athletics, ranging from basketball and soccer to track and field. These programs not only promote physical health but also teach invaluable life skills such as leadership, sportsmanship, and time management. In a short amount of time we have earned 10 conference titles.

In addition to our middle school offerings, we host a variety of camps and clinics tailored to elementary students, providing them with the chance to explore different sports and activities in a fun and supportive environment. These initiatives not only introduce children to the joys of physical activity but also help them discover their interests and talents.

WHY SPONSOR?

By partnering with Mallard Creek STEM Academy's Athletic Department, your business will not only contribute to the success of our programs but also demonstrate your commitment to the well-being and growth of our community's future leaders. Together, we can inspire, empower, and enrich the lives of our youth through the power of sports and education.

Additionally, sponsoring us will provide brand visibility to a targeted audience in your area. This provides positive association and direct traffic to your business. This is a win win situation.
