4 th	114	112
5 th	105	105
6 th	107	106
7 th	96	94
8 th	78	77
Total	924	918

<u>Criteria*</u>	<u>Progress</u>
Academics	<p>iReady Benchmark Assessments begin 4/29</p> <p>EOG Blitz is under way. All teachers are using our EOG test prep materials during the intervention block and alongside curriculum during core instruction. We are using MasteryConnect for progress monitoring weekly.</p>
Staffing	<p>Openings: 5th grade math and science position has been filled. MS. H is helping the teacher to transition. PD: Teacher support will continue through our coaches and MTSS coordinator. Our focus is using data to plan reteaching opportunities. Teachers work with Coaches and the MTSS Coordinator on alternating weeks during their planning time.</p> <p>Recognitions: Teachers of the Year! Elementary: Sarah Gibson, 4th grade math Rookie of the Year: Diyawnne Farris, 4th grade Quest Middle School: David Fox. 7th grade science</p>
Facility	<p>Exterior: Spring Clean Up is underway Maintenance Needs: Back doors of elementary have been repaired, gym door hardware is being updated as well Improvements: None at this time</p>

<p>Compliance:</p>	<p>Testing: Compliant EC: Compliant ESOL: Compliant</p>
<p>Budget</p>	<p>BVA: Attached separately Fundraising: Grants:Please see attached letter. All additional materials have been uploaded to the workspace.</p>
<p>Operations:</p>	<p>Safety: Parent Communications and Events: 8th Grade Farewell Dance, Candy Land Extravaganza Community Engagement: The 3rd Annual Duke Energy Science Night took place this week. Families enjoyed many engaging science activities.</p> <div data-bbox="428 653 1503 1612" data-label="Image"> </div> <p>Bus Transportation: Two bus routes have been combined due to a driver shortage resulting in some delays but every route is running.</p>

<p>Extracurricular:</p>	<p>Athletics: Just under 100 students are active in the Spring Sport Season. These include Cheer, Flag Football, Track and Field, and Girls Soccer. The great news is all of the spring sports have younger teams but have experienced success. Currently Flag football sits atop the conference standings and Track & Field has won all of their meets as a team thus far. It's been great to see coaches talk to athletes about life lessons and not just athletic lessons. This is just another way we can support our mission where coaches and staff encourage and empower students to take ownership of their learning in the class and outside the classroom.</p> <p>We have just kicked off soccer camp for grades k-5 with volleyball camp set to begin as well. These will wrap up camps and clinics for the year. This remains a popular option for our K-5 families.</p> <p>Clubs: Girls Who Code EmpowerHer STEM Club Dance Cheer TaeKwonDo EmpowerHer Math Club</p> <p>Service Learning:</p>
<p>Technology:</p>	<p>Looking ahead, we will need to make additional chromebook purchases for the upcoming school year.</p>
<p>Accreditation Process:</p>	<p>All documents and reports have been submitted and the school will receive its 30 day review in April.</p>
