<u>Criteria*</u>	<u>Progress</u>
------------------	-----------------

Academics	iReady assessments took place last week. We are finishing up make-ups and will analyze the outcomes. Semester two tutoring will begin shortly. We are seeking additional staff to serve these after school sessions and will prioritize first round invites to the at-risk students. Once seats are full, as staff becomes available we will invite a second round of students.
Staffing	On Christmas Day we had sad news that Sarah Gibson, 4th grade math teacher, passed away. Ms. Gibson was on medical leave beginning in October after a diagnosis of an aggressive cancer. We are working on plans to honor her memory and contributions to our school community. She was a bright spot in our program and will be missed by everyone who knew her.
